## CKHH'S SUSTAINABLE CORPORATE GOVERNANCE RECOGNISED

CK Hutchison's commitment to sustainability in corporate governance was recognised in the Hong Kong Corporate Governance Excellence Awards 2020. Organised by The Chamber of Hong Kong Listed Companies, the Excellence in Sustainability award commends the Group's comprehensive partnership with a wide range of stakeholders whose input was deliberated on at Board level, demonstrating the importance of environmental, social and corporate governance (ESG) engagement to investors and ESG ratings agencies. CKHH delivered extraordinary results while meeting the challenging complexity of governance across a conglomerate with over 300,000 employees in about 50 countries across the world.
