FROM IRELAND TO ITALY, 3 WINS THE RACE

Wind Tre and 3 Ireland were both winners of the Ookla Speedtest Award as the fastest operators in their respective countries. Wind Tre's network was named the fastest in Italy in 2020, and 3 Ireland picked up the pace in the second half of the year to overtake competitors in its home country. Ookla, the Seattle company behind Speedtest, is the global leader in fixed broadband and mobile network testing applications, data and analysis.
